

PRODUCT DATA SHEET

Ed.1 Rev.3

date: 19 december 2014

PE 24060/AT black masterbatch

| | |
|--------------------|---|
| LOADING % | 40 ± 2 |
| PIGMENT | P type Carbon Black , RCF |
| FOOD APPROVAL | YES, 10/2011 EC |
| CARRIER | LDPE |
| FIELD OF USE | Extrusion , Film, HDPE LDPE pipes , blowing and injection of polyolefins |
| COLOR INDEX | P. Black 7 |
| HEAT SOLIDITY | 5 |
| LIGHT SOLIDITY | 8 |
| MIGRATION SOLIDITY | 5 |
| FILLER | Absence |
| PACKAGING | 25 kg bags on pallet, on request big bags or octabyn |

The technical details given are the results of our research and experience and therefore they must be considered as fully reliable; however we cannot in any way offer warranties on these results which may derive from their application.

We suggest each evaluated customer to determine the suitability for its particular use through appropriate testing and analysis

Since the conditions of use are beyond our control , the user must assumes all risks and verify that its finished products are safe, lawful and technically suitable in its intended applications. Our technical assistance department is at customer's disposal at any time for further information.
